

Easter **DIY Decor**

Seasonal Tiered Tray

These tiered trays are fun to update and decorate every season. For Spring and Easter, add some moss, a few tea lights in mason jars and top it all off with faux eggs in various colors. This beautiful tray from Momfessionals features items that can all be found at the Dollar Store or local craft stores.

Easter Bunny Treat Jars

Use these adorable jars as a hostess gift, teacher gift or display for all of that Easter candy. HappinessHomemade.com uses mason jars and vinyl stickers to paint the design. Add detailed touches with ribbon or lace.

Rustic DIY Carrots

Decorate your Easter home with this easy craft, using all affordable materials. Create a carrot “mold” out of newspaper and tape then wrap with twine. TheCreekLineHouse.com paints hers in various shades of orange for variety in her décor.

Spring Tulip Wreath

Update your front door with this colorful Spring wreath. SugarBeeCrafts.com found everything in the floral department of the craft store. Using faux spring flowers, burlap, and hot glue you can use any floral colors you prefer. Personalize your wreath with a monogram.
